# DEDICATION:

Henry Eugene Foster

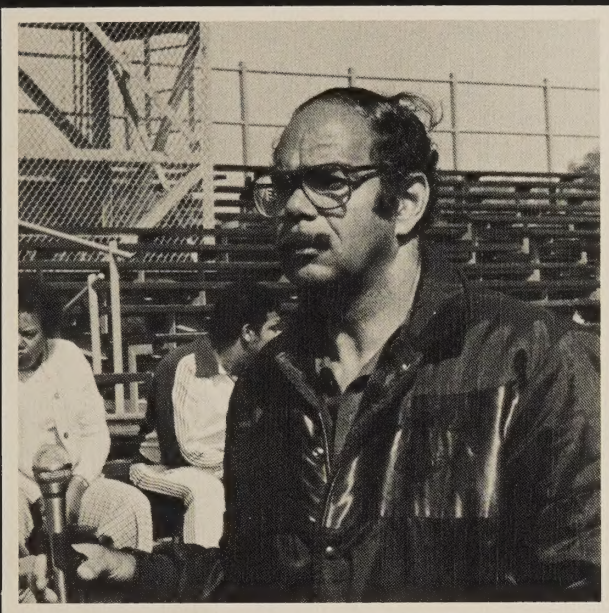

A friend to all: helpful, considerate, dedicated, responsible and supportive. These words describe one of Plainfield High School's finest administrators.

Born February 2, 1935, Henry Eugene Foster has never been hesitant to support Plainfield High School in crisis or positive endeavour. Mr. Foster is an alumnus of P.H.S. and has always had pride in his school as we now do. Graduating from Plainfield High in 1953, Mr. Foster was on the football and track teams, participat-

ed in the N.J. Boy's State which is equated with our present day Model Congress, and was a representative for Student Council. After high school, he attended Butler University in Indianapolis, Indiana and Kean College.

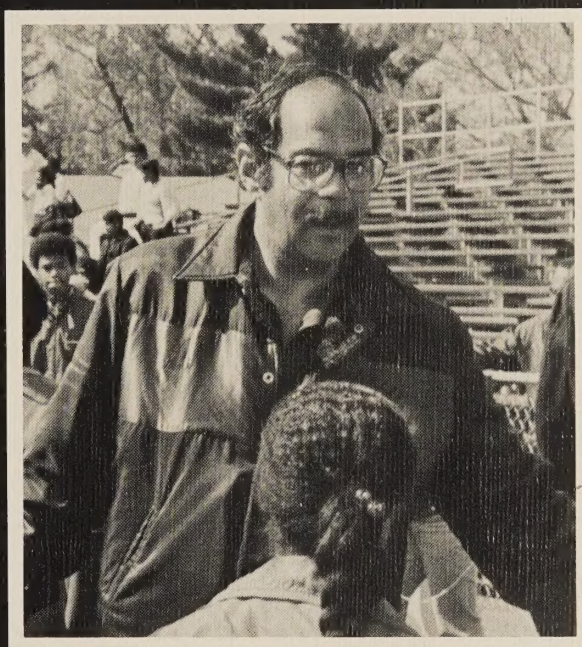

Henry Foster began his career in education in 1961 as a social worker at P.H.S. and Maxson Middle School. He has been vice principal of Plainfield High since 1973 and has continued in that position between his appointments as acting principal.

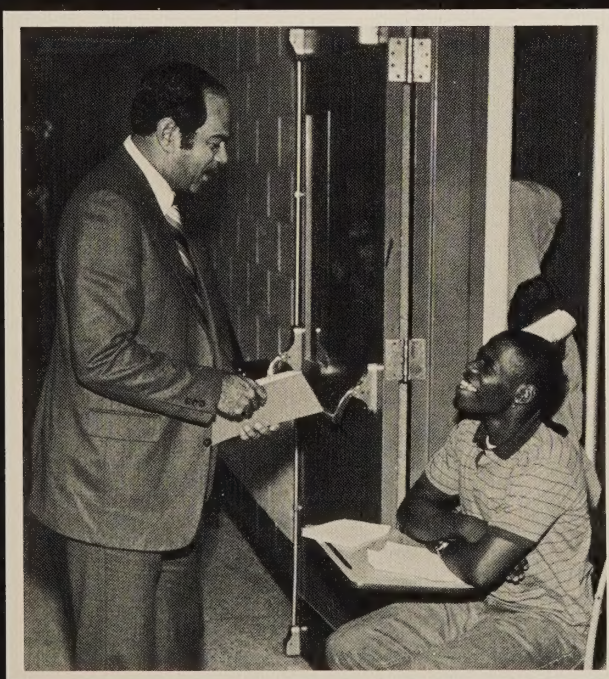

Henry Foster remains in Plainfield because he recognizes the good things which overpower media focus on isolated incidents. He states, "Our academics, honors program and faculty are excellent. Our students are motivated, supportive, and *always* win awards in competitive events of academia."

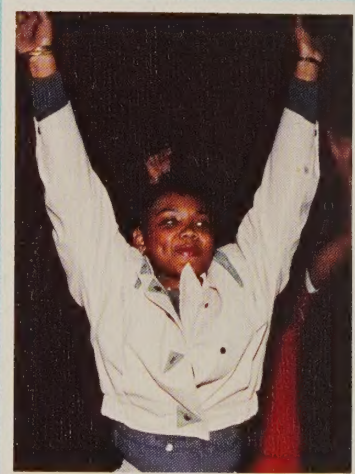

Mr. Foster shows his pride in P.H.S. students by attending student activities and sporting events. He provides a good visual image and good personality which are important to students.

From 1981 to 1984 P.H.S. has had three principals. While these three have come and gone, Henry Foster has remained. His administration has had a positive effect on all students. For the class of 1985 Henry Eugene Foster has been the *true* principal of Plainfield High School.

# The Stars

# Come Out at Night

On the evening of January 18, top stars including Prince, Michael Jackson, Madonna, Chaka Khan, UTFO, Vanity 6, New Edition, Touch of Harmony, Jocelyn Brown and Chuck Berry graced the stage of P.H.S. This star-studded event was a benefit for the 1985 Milestone.

Actually, the performances were stu-

dents lip syncing the songs of those superstars in the first "Puttin' On the Hits" contest. They were judged on lip sync ability, originality and appearance.

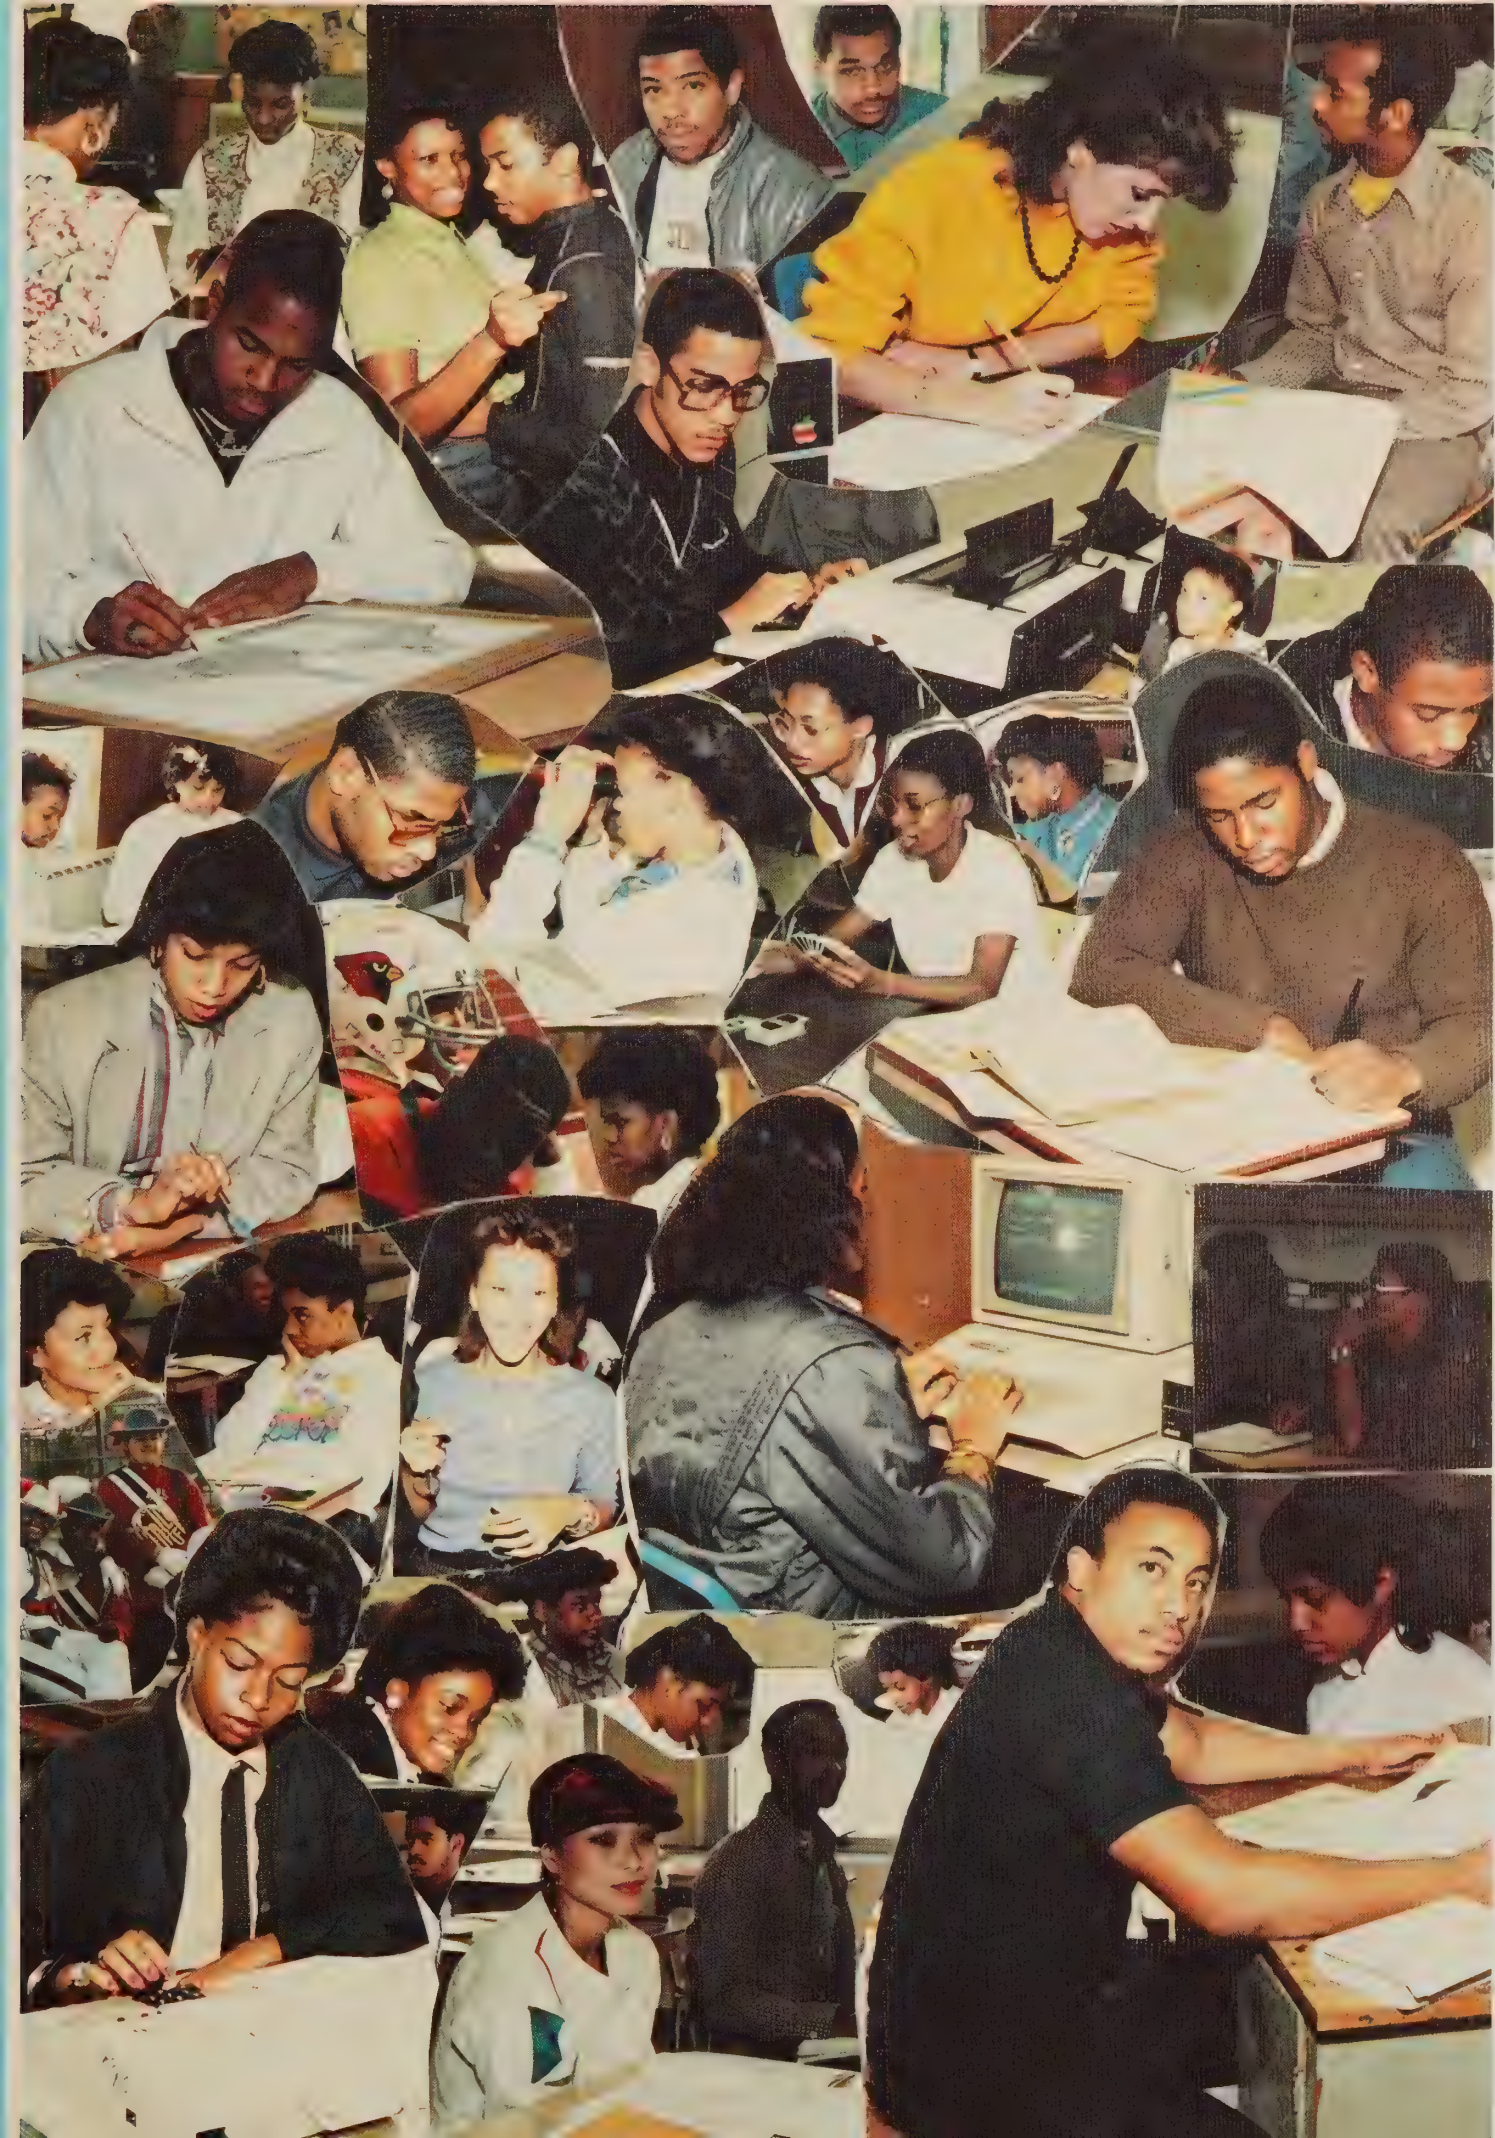

The group with the highest score was the winner. This year's winner was none other than Prince! Puttin' On the Hits, What a Night!

# A Change

Changes, changes, changes . . . the Class of '85 has been through changes.

Reviewing our class history, we can see some of the changes.

- the first class to have to sign in for lunch
- the first class to have a pep rally cancelled in progress
- the first class to go through 5 principals
- the first class to have to "Grieve" the absences.

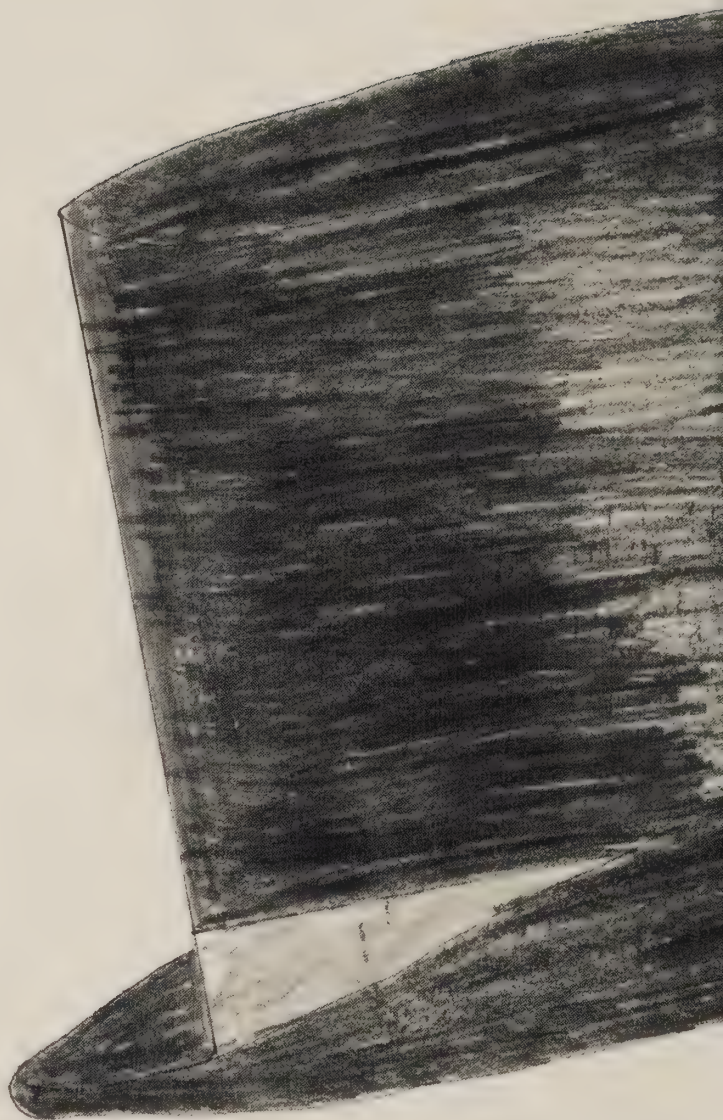

Academically:

For the first time in the history of the Kean College Poetry Contest, we had 2 winners from the same high school. For the first time in Model Congress history, P.H.S. had 2 Chair winners and a House Leader (Brian Glaspy '84) from the same school.

Athletically:

We BEAT WESTFIELD in football for 3 years straight. We had DOUBLE BASKETBALL CHAMPIONSHIP PLAYOFFS, Boys first place, Girls first runner-up.

This year for the first time, the Boys and Girls Soccer teams won a game. We also had the first male cheerleader in many years.

# Homecoming '84

*The 1984 Homecoming Queen and her Court*

*Misses Lauren Lawson, Carletta Harvey, Tisha McKoy Queen Kimberly Martin, Jennifer Taylor*

Homecoming '84 was an evening of elegance. Held Wednesday, November 21, at 7:30 p.m., Plainfield's students dressed in their semi-formal attire to witness the crowning of the Homecoming Queen and meet the court.

Our Queen for the 1984-85 year was Miss Kimberly Martin, a Lady Cardinal Varsity Basketball Team member who is beautiful in both body and spirit.

The Senior Court member was Miss Jennifer Taylor, a past member of the Lady Cardinal Track Team and was also a Drum Major for the P.H.S. Marching Band.

The Junior representative was Miss Tisha McKoy, member of the Varsity Track

Team and the National Honor Society.

Miss Carletta Harvey, ranked in the top 10 of the Class of '87 was the Sophomore Court member. The Freshman representative was Miss Lauren Lawson, who is known for her singing and her congeniality.

The finalists were also to be congratulated for they were also winners. The Senior finalist was Miss Susan Roundtree. The Junior finalists were Miss Jestina Robeson and Miss Dawn-Marie Warnick. Sophomore finalist was Miss Marlene Joseph. The Freshman finalists were Miss Sylvia Franklin and Miss Bridgette Dicks.

Congratulations to all; you are the Best of P.H.S.

The Girls's Tennis Team completed their 1984 season with a 12 — 10 record. Jill Johnson, Dana Lindsay and Nicole Mingo played singles while Alexia Thorpe and Armie Bacarro set a school record of 18 wins at doubles. Valerie Mulvaney, Trista Pollard and **Sharon Pierre** played Varsity Second Doubles.

With the entire starting line-up returning next year, The **Lady Cardinals** can hardly wait for the '85 season to begin.

# Football

The Football season ended on a high note with victories over Rahway, (North Jersey II Group 3 State Champs) and Westfield (three in a row). Injuries decimated the Cards through most of the season forcing many untried sophomores into the lineup against perennial powers like Union, Elizabeth and Linden.

The outlook for next year is positive because the underclassmen played alot. Co-Captains **Darren Felton** and **Dwight Brunson** as well as All-County Safety **Tim Egerton** must be replaced. Even so, our younger players will rise to the challenge and continue in a winning tradition.

## Boys'

The 1984 Boys' Varsity Soccer Team encountered many unseen problems this year. They lacked both size and experience with only three seniors on the team. The Boys' Varsity Soccer Team also won its first game in two years (1 — 12) ending a twenty one game losing streak. They closed the season with a (1 — 11) record against the tough competition of other local community high schools.

Through hard work and determination, the team began better than the previous year. They equalled last years totalled goals scored in their first five games. The Varsity Soccer Team is looking forward to an even better year in the coming 1985 season.

## Cross Country

The Cardinals Cross Country Team struggled through a rebuilding year. However a 4-5 record could not diminish the outstanding performances of Junior Hal Hamilton. He was named the outstanding performer on the All-County team for his county and championship races.

The supporting cast of senior **Kyle Bradby**, junior Dwayne Cade, Stanford Johnson and Tommy Donovan, and freshmen Roy Southerland, Wayne Chapman, and Anthony Thorne, show promise for future successful seasons.

The 1984 Girls' Cross Country Team emerged as one of the finest in the area; they captured the Watchung Conference and Union County Championships. The team qualified for the state championships because of a strong effort in the sectional meet.

Led by Senior **Susan Rountree**, Juniors Sheryl Smith, Ramona Journigan and Carla La Croix, Sophomores, Joan Miller, Valecia Edwards and Scharine Montgomery, the Lady Cards earned a record of 9-1.

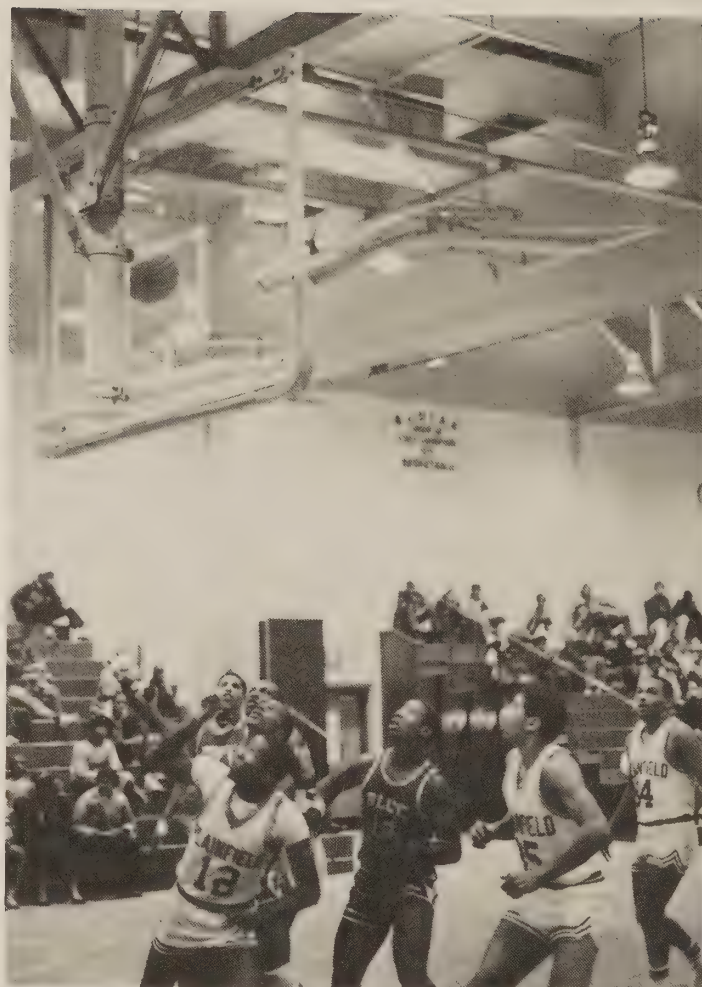

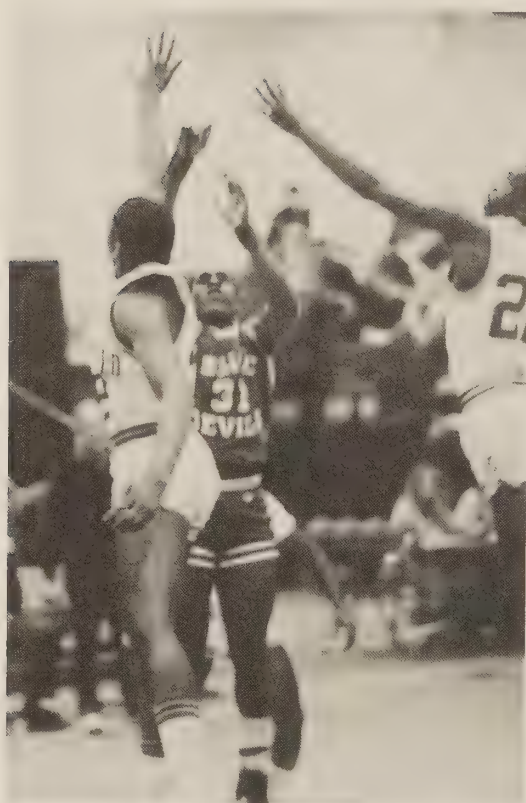

Simply stated: The Lady Cardinals Track Team was the "Class of New Jersey". The girls won every major title in which they competed and did so in a most convincing fashion.

**Top Right:** Tim Egerton passes the ball off to Brian Franklin.  
**Above:** Kenny Lee banks two more. **Right:** Kenny Lee pulls one down as David Brown and Daryll Strond come in to help.

Before entering our Basketball season, our coaching staff was anticipating only a five hundred season because they lost six seniors from last year's squad.

However, the team showed tremendous character strength by compiling a record of eighteen wins, seven losses; they reached the Union County Tournament semi-finals only to be defeated by a very strong Elizabeth team.

In the State Tournament they defeated

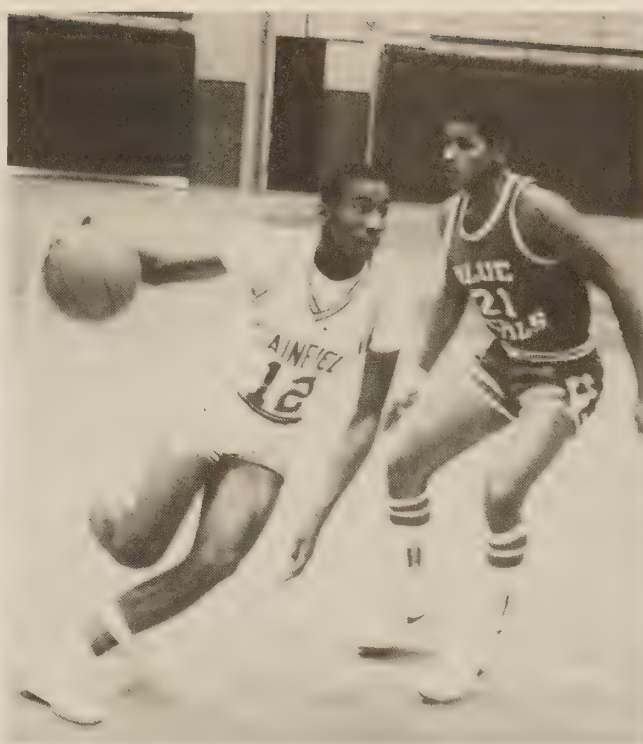

Columbia in overtime 66-62. Then they defeated a strong and talented Phillipsburg team in the second round after being down by sixteen points. The season culminated when the boys reached the Sectional Group IV Semi-finals, where they were defeated by Elizabeth 70-49.

Players like **Ken Lee, Dave Brown, Tony Tyler, Tim Egerton, Darrell Strond, Darren Felton, Billy Guy** and **Gerald Lee** all contributed. Also important were the players who didn't see much ac-

tion; those players were **Michael Price, George Brown, Terrance Belamy, Fred Hines, Bryon Franklin, and James Parker.**

This group of players all contributed in their own way toward our season. Also contributing were our managers, whom we called our right hands and they were: **Statistics; Tammy Talley, Jennifer Taylor, JoAnn Taylor, Debbie Johnson; Equipment; James Fisher and Ronald Woods.**

**Upper Left:** George Brown goes up and adds 2 points to the score.  
**Above:** Kenny Lee dribbles to the basket. **Left:** The Cardinals regroup to discuss the game.

#### Highlights and Stats

- a. Kenny Lee averaged 19 points per game plus 6 rebounds per game.
- b. Tony Tyler averaged 14 points per game as a guard.
- c. Dave Brown, who played Junior Varsity ball in his Junior year, was a pleasant surprise in his senior year; he averaged 9 points per game plus 5 rebounds.
- d. Tim Egerton and Darren Felton were instrumental with their floor play and hearts during our games.

- 2: Cynthia Kaigler steals the ball from Elizabeth.
- 3: Erica Allen grabs a rebound.

The **Lady Cardinals** once again had a very successful year. This was to be a rebuilding year, but our Senior Captains, **Shenna Hines** and **Carolyn Sargent** along with Seniors **Yvonne Spivey**, **Selina Jones** and **Kim Martin** said "No" to all of this and demonstrated that they could lead the team to another winning season. Aided by Juniors, Cynthia Kaigler, Erica Allen, Yolanda McNeil and Sophomore Nicole Rose, the team did in fact have a 21 Win and 4 Loss season.

The **Lady Cards** rebounded from losses to Irvington and Union Catholic by defeating them on rematches and thus

were able to be Co-Champions of the Watchung Conference.

The **Lady Cards** were looking to repeat last years victory as Union County Champions. Unfortunately they fell to Hillside for their 3rd loss of the year. Their final defeat was in the State Playoff to Morristown.

The Junior Varsity Team with their new coach, Bonita Spence had an undefeated season — 15-0 and captured the J.V. County Tournament for the second year. Sophomores, Aleta Faggan, Twana Felder, along with Freshmen, Debbie Wil-

liams, Kimberly Bond, Tee Yvonne Clark, Schonda Wilkerson, Kimberly Knight, and Treena Moore all put forth hard work and a lot of dedication to have a very successful season.

The **Lady Cards** are looking forward to the return of all the girls for next year and they, along with Assistant Coach, Terry McDonald and Coach, Harry Lambert, wish to thank the fans for their continued support.

Bobby Riddick had an outstanding year (7-3) regular season, 3rd 158lb class district 12 and a quarterfinals 158lb class in region 3. The future looks exciting with Mark Roberts, James Roach, Frank Royal, Sterling Fairley, Darrell Crump and Carlos Taylor all returning next season.

A real star on the horizon is freshman Ron Lewis who compiled 8 — 4 — 1 record while competing in the 98lb weight class.

# Plainfield High School Marching Organization.

## Band, Attention . . .

Many members of the Class of '85 have had to stand and listen to those very words at one time or another. The Marching Cardinal Organization is the largest traveling organization in P.H.S.

Under the Direction of Student Drum Majors Debbie Johnson and Jennifer Taylor, Field Commanders, L. Sekou Brown and Jeffrey Hall, Captain of the Band Front, Donna Threatt, the 1985 Cardinal Marching Organization (for the first time in four years) enjoyed a limited competition schedule.

The season starts with Band Camp, the last week in August and ends 4th of July the next year. Saturdays are spent at football games in the fall, Sundays at various Band competitions throughout the state.

Hard work and lots of time both in practicing after school, spending weekends on the bus, has helped to keep this Marching Unit, "Small but Mighty".

Many of the members of the Class of '85 have participated with the group at sometime during their four years at P.H.S.

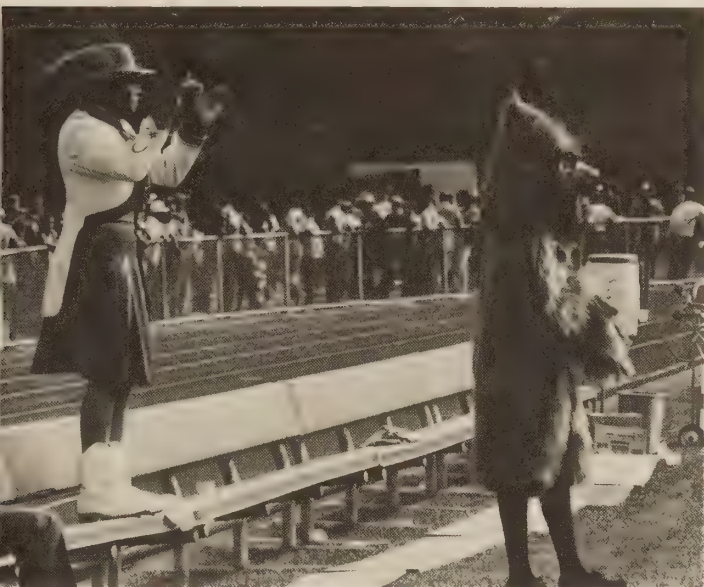

Numbering app. 50 musicians, 30+ supportives at a time, many members of the Class of '85 can remember freezing (Cedar Ridge), sweating (Middlesex) or being rained or snowed on.

Many members of the Class of '85 have participated with the group at sometime during their four years here at P.H.S.

The persons wearing the uniforms may change but the Band Experience is forever.

# Library Council

"Could you tell me where to find the information about the mating habits of the Aardvark?"  
"Where's the Card Catalogue?"

These are the types of questions that members of the P.H.S. Library Council have to be able to answer.

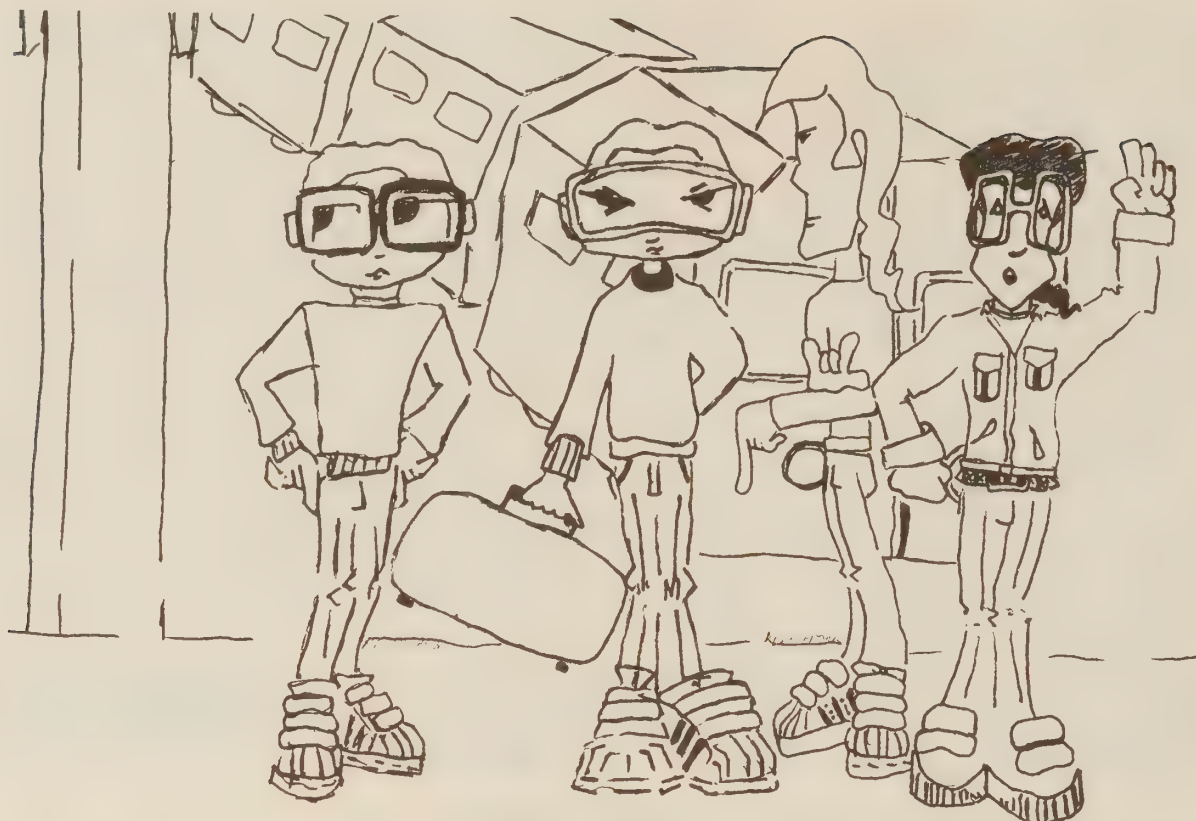

This group of dedicated students help the Librarians to do their job. Shelving books, checking in and checking outs, inventory; cataloging new books, and filling out overdue book slips. They also aid and assist teachers and students in the researching materials for class assignments.

The Library Council rewards themselves for their dedication to duties by raising monies for extra trips and other extra curricular activities. One of the fund raisers used by the group this year was the sale of S.A.T.'s in conjunction with the Student Council. They also had two after-school "Bake Sales". These monies were used by the group to fund their trips to the theater, Teen Arts Festival, and a Final Year End Trip to ???

# Graffiti Club

## Gospel Choir

The P.H.S. **Gospel Choir** is a group which expresses themselves through singing Gospel.

There are app. 30-35 members of the group who travel throughout the Tri-State area giving performances of Gospel music.

Other than their P.H.S. Assembly performances, this group has traveled and performed at:

Glassboro State College  
King College  
Grover Cleveland School in Elizabeth  
Hubbard Middle School  
Lakewood H.S.  
Monmouth County Bible Institute  
Lincoln Center

This group has also won awards at the Black Music Caucus (1984-3rd) and the International Music Festival (1983 — 3rd place). The Gospel Choir's Easter Trip was to Mexico.

# A-V Squad

“Lights, Camera, . . .” The **P.H.S. A-V Squad** is on the job. This co-ed group of students assists the A-V Coordinator with the assorted jobs of;

- setting up the sound and lights for all school activities including:
- Assemblies
- After School and Evening performances
- Special In-service programs
- Classroom events requiring special A-V Equipment.

This group is the first that all eyes turn to if the mike doesn’t work or the lights go out. Their job is to see that everything is functioning as it should.

All squad members are instructed in the proper operation of the A-V equipment including the 16 mm projectors, V.C.R and cameras, the mike mixers, and the P.H.S. Auditorium Light Board.

All of their jobs are not exciting and glamorous; another title they hold is go-for.

They are the group that: finds, files, delivers, or picks up the film you slept through in science class. When the mike goes dead or the lights go out in the middle of the performance, this group is on the job. Without them and their assistance those dynamic assemblies and evening performances would lack the luster.

Jacks-of-all trades, the **P.H.S. A-V Squad** is always on the job.

DR. B. BOP

The sign is on the door, the sounds of Angela Bofil, Donald Byrd, and M.J.Q fill the air. Jazz Alley is open for business. Jazz is alive and well and on Thursdays at 3:00, rm. 112, residing in P.H.S.

The Jazz Club offers its members an alternate musical experience for the discriminating listener seeking to expand his musical horizons.

At each session, Dr. B. Bop (a.k.a. Mr. C. Cook) gives a bit of background information about the "Artist of the Day", and a comparison contrast discussion period follows; featured artist vs. artist as to style interpretation and musical content. Members are encouraged to bring in recordings of their favorite artist for comparisons.

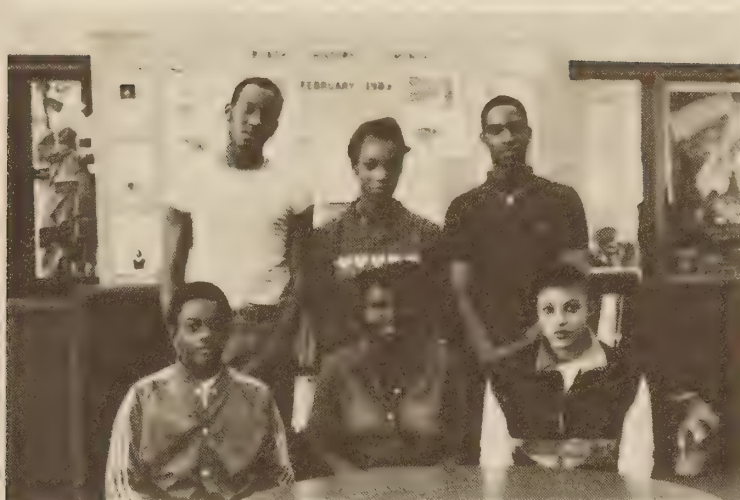

The **Jazz Club**, through its activities, exposes the listeners to musical styles not often heard in the hallways of P.H.S.

Other activities of the group included readings about Jazz musicians and plans for trips to jazz concerts.

Small, but growing, Jazz is here to stay.

# Jerseyans

If you were interested in the cultural and historical preservation of the State of New Jersey, the **Jerseyans** was the club for you.

The P.H.S. Chapter is affiliated with the State of New Jersey Organization and active in seeking information about the history of our home state.

Traveling to many historical locations, this group has expanded and enhanced their knowledge of the roots of the state. Trips have included the Newark Museum, Waterloo Village, The Cornelius Low House (founder of Raritan Landing), Peter Bodien House (first N.J. Merchant), and the Valentine Museum which specializes in Victorian American memorabilia.

The highlight of this year's activities was the trip to the New Jersey Historians Workshop which featured a question and answer session with Mr. Henry Steele Commager (the authority on history).

Future plans include:  
Scheduled year end activities; a trip to the United Nations and attendance at the Constitutional Convention to be held in the spring.

Members of the Jerseyans for 1985 included:

## Pep Squad

The Plainfield High School **Pep Squad** did it again. They made all the basketball games more exciting and enjoyable. Under the direction of Captain Jestina Roberson, Co-Captains Renetta Garrison and Karen Tanks, the **Pep Squad** cheered their team on with enthusiasm and school spirit.

As everybody knows they are an elite and wonderful group, the **Pep squad** is definitely an asset to the school. We are happy and proud to have them as a member of the Plainfield High School family.

Scott,  
You have accomplished so much in  
such a short time. We can only imagine  
how fulfilling and exciting the life ahead  
of you will be. Your natural curiosity  
about everything will carry you far.  
Continue to be diligent, highly motivated,  
and always searching for answers. Your  
family is proud of you and your  
accomplishments. We will always be  
there when you need us. We love you.  
Love,  
Mom and Dad

Scott,  
Being your twin for the past 18 years has  
been an interesting experience. Though col-  
lege may separate us, we will always be  
together in spirit. Best wishes, be effica-  
cious, and always remember the good times  
we had at P.H.S. and the summer with the  
M.I.T.E.S.  
Love,  
Eric.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

The Milestone will now take the time to recognize seven special people whose efforts made it possible for you to keep a few memories of your high school days. Through lack of money, apathy, deadlines, little help, no permanent home till near the end, and long hours of over time, these dedicated few really made this book happen.

First there was Debbie Johnson, our solid but harried yearbook editor. She began with a dream and her sacrifice of time, sleep, and peace would normally earn her a place among Plainfield's best.

Next there is Yvonne Spivy, who worked during the cold winter months on the Dip n Dunk to raise money. Yvonne did it on her own and we salute her efforts.

Tracey Matthews was the only Junior on our staff and the only Junior who cared about both our class and her own. She has been here as long as we can remember and put in the extra hours necessary to get an impossible amount of work done. She will undoubtedly be Editor-In-Chief next year and we wish her luck since she will be all alone.

Eric Deering, our calm Activities Editor, also put in those extra hours in not only on his section, but on others. He could have spent his senior year in peace, but he elected to join our pack of lunatics.

Our resident Walkman, Scott Deering, helped to maintain high morale with his light hearted comments and friendly smiles. Though spread very thinly, Scott managed each and every job effectively. It is undoubted true that we couldn't have done it without him.

Prince's #1 fan, Shelley Morgan enlightened us daily with the latest news about him and his concerts. She also exposed us to the latest trends in Rock, Punk, and High Fashion.

Finally, theres Ms. Lowe who did it all to do produce something we hope you enjoy. All of the Yearbook Staff are special people and we though that you should know who worked to give you a yearbook.

As Editor-in-Chief of the 1985 Milestone I commend my very dedicated and hard working staff for sacrificing holidays and many hours after school to do a nine month job in only three months. We have had many obstacles, but through exhaustive efforts, the staff achieved success. Some of the student body kept their faith and supported all of our actions. To those who did stand behind us, I would like to extend a special thank you. Because the success of a yearbook depends upon school support, we had to initiate "A Change With Class" without the seniors in living color.

**Deborah C. Johnson**  
Editor-in-Chief

To those of you who will spend hours perusing this volume looking for gramatical errors, misspelling, and improper grammar, have fun, for you will find loads of them.

For those of you who will spend hours perusing this volume looking for friendly faces, sports, activities and remembered good times; have fun, for our tiny staff has spent months, days, weeks and hours, preparing these pages for your future enjoyment.

If it pleases you, we are pleased. If it does not please you we are sorry. We've given it our best shot.
